Deterdek

- Removes all grout residues and building-site dirt.
- Eliminates any saline efflorescences from terracotta.
- Removes lime deposits from floors, wall tiles (showers), and bathroom fixtures.
- Penetrating cleaner for outdoor paving.
- All-in-one descaler and detergent: contains high concentrations of surfactants.
- Removes rust stains.
- 1 liter.

Fugaproof

- Prevents absorption of stains.
- Makes dirt removal easier.
- Ideal for mosaics.
- Keeps tile joints looking new for years
- 500 ml.

PS/87

- Diluted: cleans and removes grease from dirty porcelain stoneware, ceramic, natural stone, terracotta and concrete floors.
- Undiluted: removes stubborn stains from porcelain stoneware.
- It is excellent for basic cleaning of acid sensitive stone.
- Ideal for basic cleaning of concrete.
- Wax remover for water based, metal or polishing wax.
- 1 liter.

710 Premium Set Plus

- Premium grade mortar used for installing porcelain and natural stone up to 24" x 24".
- Very workable, flexible and easy to apply.
- 50 lbs.

720 Marble Pro

- Premium grade medium bed mortar for installing and natural stone.
- Ideal for porcelain gauged and irregular thickness tile installations.
- 50 lbs.

735 Premium Flex

- Specially formulated to install porcelain tile, natural stone and large vertical tiles.
- Can be used for under water applications.
- 50 lbs.

Fuganet

- Deep-down cleaner for grouts in ceramic tile floors and walls. Suitable for single fired, double fired, porcelain tiles. Un-suitable only for porous surfaces treated with wax.
- 500 ml.

Stone Plus

- Protects and enhances the original color of polished, honed, and tumbled natural stone.
- Penetrates deeply into the material, protecting it from water and oily stains and dirt.
- 250 ml and 1 liter.

MP/90

- The best stain protection for polished marble, granite and porcelain stoneware.
- Anti-graffiti treatment for vertical walls in natural stone.
- Ideal for protecting tables, bathroom tops and kitchen counters.
- 250 ml and 1 liter.

Versatile Color Grout

- Superior multipurpose Portland Cement grout for all types of ceramic and dimensional stone tiles on walls and floors.
- Use for grouting joint widths less than 1/16" up to 1/2" wide.
- With Mold Protection.
- 25 lbs. (Sanded).
- 10 lbs. (Non sanded).

136 Surestik

- Ready to use acrylic based, non-sag, quick grab adhesive for adhering mosaic and large format tile on interior walls.
- 3.5 gals.

Colored Caulking

- Use to fill joints between panels, walls and seals around tubs, showers, sinks and countertops.
- Use to restore cracked or worn joints.
- 10.3 oz. (Non sanded).
